the power of giving

*The State Employees Combined Campaign (SECC) was created to offer North Carolina state employees a convenient, efficient, and trusted way to support local, national, and international charities. More than almost 900 charities are eligible for contributions in the 2019 campaign.*

*The POWER OF GIVING represents the impact on the causes you care about. Every contribution has the POWER to make a difference!*

*To search charities by keyword and read about their work, visit [ncsecc.org](http://ncsecc.org).*

**Dear Fellow State Employees,**

*Thanks to your generosity over the years, the SECC has become a powerful force for making a difference! Since the campaign began, state employee donors like you have contributed more than \$110 million to charities across our state, nation, and world. **That's powerful!***

*More importantly, the SECC's "power of giving" allows each one of us to make a significant difference for causes we care about personally. When you contribute to the SECC your donation joins other state employee donations to become a larger, more powerful gift. Together, state employees have helped hundreds of charities successfully achieve their missions through the SECC.*

***It is truly an honor to be part of such a dedicated, caring community of donors.***

*We're proud to serve as your 2019 SECC Co-Chairs. We are energized by your generosity, the enthusiasm of our fellow SECC volunteers, and the powerful impact we've all made throughout the years. We look forward to accomplishing great things again this year!*

*We invite you to use your personal Power of Giving to support a cause that is important to you. Almost 900 charities are participating in the 2019 SECC. Won't you consider making a pledge or donation this year?*

*With Gratitude,*

*Christy R. Agner  
Deputy Secretary  
Dept. of Administration  
2019 SECC Co-Chair*

# Top reasons to give through the SECC . . .

## It's Easy and Convenient

 Simply complete a pledge form or pledge online (ePledge) during the campaign months of August to November. (Universities run through December 31.)

## It's More Powerful

 Payroll deductions allow you to make small payments from each paycheck, making it easier to afford a more generous gift.

## Quality and Choice

 Charities must apply annually and meet stringent eligibility requirements to be included in the campaign.

 Volunteers work together to plan and implement the campaign helping keep costs very low.

 You can donate through payroll deduction, cash, check, credit card, or stock transfer.

## Did You Know?

*State employees have donated more than \$110 million since 1985.*

*The 2018 campaign raised \$3,440,574.*

*No state monies are used to run the campaign.*

*We're on Facebook and Twitter. Follow us for campaign updates and information. Share your photos and campaign events using #seccpowerofgiving*

# Frequently Asked Questions

## Who can contribute?

All state employees and retirees are eligible to participate. If you do not have access to payroll deduction you may give by cash, check, credit card, or stock transfer gift.

## Are my contributions tax-deductible?

Yes. Keep a copy of your pledge form or print your ePledge confirmation email. You may need additional documentation to support your contribution depending on the amount you pledge. Consult your accountant or tax advisor for more information.

## What is the duration of my payroll deduction and when does it begin?

Deductions begin January 2020 and continue through December 2020.

## What happens to my contribution if I don't designate a specific charity?

The SECC's rules specify that all undesignated gifts be proportionately distributed to those charities receiving designations. For example, if Charity A receives 5% of designated pledges, then Charity A will also receive 5% of undesignated pledges.

## Is there a minimum donation to designate a charity?

Yes. The minimum donation to designate your gift to a charity is \$10. If you donate less, your contribution will be undesignated.

## How is my personal information shared?

Only the information you provide (name, email and/or address and amount pledged) is shared with your designated charity or charities. You may remain anonymous (opt-out) by checking the box found on the pledge card or ePledge site.

## What is the administration cost of the campaign?

The SECC's low administrative cost (12% of the prior year's campaign) is a lower percentage than most charities spend on fundraising and administrative costs themselves.

# Not sure which charity to choose?

*Here are 3 steps to help you  
find the power of your giving*

*Don't see your  
favorite charity listed?*

*Try searching online at  
**ncsecc.org***

*If your favorite charity  
isn't on this year's  
campaign list, encourage  
them to apply for the  
2020 Campaign.*

*Application materials for  
2020 will be available in  
November 2019.*

*Charities can learn  
more about the  
application process and  
requirements under  
SECC Charities on the  
SECC website  
(ncsecc.org).*

# 1

Your donation to a cause that's important to you is your personal Power of Giving!

Start by asking yourself, "What's important to me?"

Think about people in your life, your hobbies and interests, and things you would like to change or are concerned about.

# 2

Review the Charity Listing on the following pages or visit NCSECC.org and search by type of service to find charities that match your interests.

You can review charity descriptions by visiting NCSECC.org or the charity's website to learn more.

# 3

Select your charity and fill out your pledge form or pledge online (ePledge).

Regular payroll deduction is a great way to increase the power of your giving without putting too big of a dent in your wallet at one time.

Charities may apply to the SECC independently or as members of a federation. A federation is a group of charitable organizations that apply to the Campaign as a group. The federations listed below provide guidance and support to their affiliated member charities. For a complete list of independent charities and charities belonging to each federation, visit [ncsecc.org](http://ncsecc.org).
