KEYNOTE SPEAKER

ADRINA GREENLEE BASS '04

***Assistant Attorney General
North Carolina Department of Justice***

Adrina Greenlee Bass '04 is an assistant attorney general at the North Carolina Department of Justice. Bass has 14 years of experience in the legal profession, including state administrative and trial courts, federal trial courts and associate appellate courts. In her current role, she represents the North Carolina Department of Transportation in eminent domain litigation and is responsible for all phases of litigation in land acquisition proceedings, including investigation, trials in the superior courts, and appeals to the Court of Appeals and the Supreme Court. She previously represented the North Carolina Department of Public Safety in a variety of civil litigations matters.

Bass is a proud double historically Black college and university alumna, having earned her B.A. in political science, summa cum laude, from North Carolina Agricultural and Technical State University where she was a member of the University Honors Program. She obtained her MBA and J.D. from North Carolina Central University School of Law in 2009, when she became a licensed attorney and began her legal career in private practice where she focused on criminal defense and personal injury.

A member of the Alpha Zeta Omega Chapter of Alpha Kappa Alpha Sorority Inc., Bass takes pride in giving back to her community through service projects. She serves on the North Carolina Justice Department's Diversity, Equity and Inclusion Committee and is a member of Wake Women Attorneys, Wake County Bar Association and the N.C. A&T Executive Advisory Board. Last fall, A&T honored her with an Alumni Achievement Award from the Honors College.

Bass met her husband, Rahmud, as N.C. Central MBA students. Married in 2009, they make their home in Wake Forest, North Carolina, with their two children, Sydney and Asa.

SONGS

LIFT EVERY VOICE AND SING

Lift ev'ry voice and sing,
Till earth and Heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise
High as the list'ning skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us;
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod,
Bitter the chast'ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat,
Have not our weary feet
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered;
We have come, treading our path thro' the blood of the slaughtered,
Out from the gloomy past,
Till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou who has brought us thus far on the way;
Thou who has by Thy might led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met Thee;
Lest our hearts drunk with the wine of the world, we forget Thee;
Shadowed beneath Thy hand,
May we forever stand,
True to our God,
True to our native land.

ALMA MATER

Dear A. and T., dear A. and T., a monument indeed
Around thy base with grateful hearts behold thy students kneel.
We bless the power that gave thee birth to help us in our need,
We'll ever strive while here on earth all loyalty to yield.

REFRAIN

With joy, with joy, dear A. and T., thy students turn from thee
To spread thy trophies year by year from Dare to Cherokee.

Dear A. and T., dear A. and T., the signet thou shalt be
Set by our great old commonwealth, proud boaster of the free;
She'd have the record of her worth on granite not inscribed—
Nay, let the children of her birth proclaim it by their lives.

Dear A. and T., dear A and T, henceforth our aim shall be,
By precepts wise and deeds more sure to bless the State through thee;
The arts of industry to wield against an idle foe
A harvest rich from ripened field of what thy students sow.

ACADEMIC EXCELLENCE AWARDS

THE UNIVERSITY AWARD FOR ACADEMIC EXCELLENCE

The University Award for Academic Excellence recognizes a student for the integration of academic excellence with other aspects of their lives that may include leadership, community service, arts, athletics and career achievement. This student may have already received recognition from campus, local, state, national or international organizations.

Eligibility

The student will have enriched the North Carolina Agricultural and Technical State University community through a record of accomplishment and leadership in areas such as scholarship, student life and community life, all of which reflect the university's purposes and priorities. Nominees must be an undergraduate senior and must have a minimum cumulative GPA of 4.00.

Criteria for Selection

Not all categories will apply to all students, but a record of accomplishment across a range of activities/areas is expected. Nominators should address the relevant ones in their letter of nomination. Students will be judged on overall accomplishment.

- Academic excellence
- Scholarship (research and/or creative activity)
- Campus service/involvement in extracurricular activities
- Community service
- Evidence of leadership

NORTH CAROLINA AGRICULTURAL AND TECHNICAL STATE UNIVERSITY

Established in 1891, under the Second Morrill Act of 1890, North Carolina Agricultural and Technical State University is a land-grant, doctoral research university. The Second Morrill Act expanded the nation's system of land-grant universities to include a historically black institution in those states where segregation denied minorities access to the land-grant institutions established by the First Morrill Act (1862).

Throughout its 132-year history, N.C. A&T has maintained a rich tradition in academics, research and outreach. Today, the university is committed to fulfilling its fundamental purposes through exemplary undergraduate and graduate instruction, scholarly and creative research, and effective public service and engagement. A&T is accredited by the Southern Association of Colleges and Schools Commission on Colleges. An institution of choice for high-achieving students, A&T aspires to be recognized as a preeminent land-grant university.

With an enrollment of 13,487 students (Fall 2022), N.C. A&T is the nation's largest historically Black college or university (HBCU). A&T awards baccalaureate, master's and doctoral degrees through the College of Agriculture and Environmental Sciences; College of Arts, Humanities and Social Sciences; Willie A. Deese College of Business and Economics; College of Education; College of Engineering; John R. and Kathy R. Hairston College of Health and Human Sciences; College of Science and Technology; The Graduate College; and the Joint School of Nanoscience and Nanoengineering. The curriculum has been adapted to strengthen science, technology, engineering and mathematics (STEM)—its academic core and foundation—and other disciplines. The university also has moved rapidly to blend its academic and research programs with the needs of society and industry, forming a symbiotic relationship.

A&T has advanced to the forefront in the area of research and is one of the top-ranking institutions in the University of North Carolina System for sponsored research funding. The strength and potential of the research enterprise at A&T is demonstrated by the university's ability to sustain major programs in nanotechnology, biotechnology, computational science and engineering, energy and environment, information sciences and technology, leadership and community development, logistics and transportation systems, and public health.

Upon graduating, students join the university's nearly 70,000 alumni of record who hold (or have held) positions of leadership in industries and communities around the world. Some of A&T's nationally acclaimed alumni include Henry E. Frye '53, former N.C. Supreme Court Chief Justice; Edolphus Towns Jr. '56, retired U.S. Congressman; Clara Adams-Ender '61, author and retired Army brigadier general; Alvin A. "Al" Attles Jr. '60, former NBA player, coach and general manager; Elvin Bethea '68, NFL Hall of Famer; Ezell Blair Jr./Jibreel Khazan '63, Joseph A. McNeil '63, the late Franklin E. McCain Sr. '63 and the late David Richmond '10 (degree awarded posthumously), members of the A&T Four/Greensboro Four; Joe L. Dudley Sr. '62, Dudley Products founder; Rev. Jesse L. Jackson Sr. '63, civil rights activist and former presidential candidate; Alma S. Adams '68, U.S. Congresswoman; Dr. Ronald E. McNair '71, NASA astronaut; and Michael S. Regan '98, U.S. EPA Administrator.

Twelve presidents/chancellors have served the institution since its founding: Dr. John O. Crosby (1892-1896), Dr. James B. Dudley (1896-1925), Dr. Ferdinand D. Bluford (1925-1955), Dr. Warmoth T. Gibbs (1956-1960), Dr. Samuel DeWitt Proctor (1960-1964), Dr. Lewis C. Dowdy (1964-1980), Dr. Cleon Thompson Jr. (interim, 1980-1981), Dr. Edward B. Fort (1981-1999), Dr. James C. Renick (1999-2006), Dr. Lloyd V. Hackley (interim, 2006-2007), Dr. Stanley Battle (2007-2009) and Dr. Harold L. Martin Sr. (2009-present).
